

St. Mary's Primary School – Vision & Mission

ST. MARY'S VISION STATEMENT

**To Live,
To Love,
To Grow in Christ.**

At St. Mary's, we believe.....

- That staff and children continually work and grow together to deepen their relationship with God and one another.
- We try to provide for one another, an atmosphere where we feel, we belong, are cared for, respected for our giftedness, and are challenged to work to our fullest potential.
- That parents are the first educators of their children, and we recognise our responsibility for the development of the child as a whole person.
- We must empower children to reach their full potential spiritually, physically, intellectually, emotionally and creatively.
- There is a need for open communication between parents and
 - teachers in regard to programs and the welfare of the children.

As a result of the above, we hope that the children will become well-adjusted, secure and happy members of the Catholic Church and society.

We will fulfil our Vision by.....

- Staff working as a team and being open to new thinking.
- Presenting programs that are interesting, part of the child's experience, challenging and informative.
- Being familiar with the school's policies and being prepared to implement and revise them.
- Being committed to the implementation and support of Australian democratic values and principles.
